Dear Parent/ carers,

On Tuesday 18th June, Almaz Disu from Hackney Education will be conducting focus sessions at Colvestone Primary School to hear from pupils (years 1-5) as they prepare to move to a new school.

We understand that adjusting to change can be challenging for children and Hackney want to learn more about their transition experience, needs and how they would like to be supported during this process of change.

During the sessions, Almaz would like to find out from the children the following:

1. Is there anything that you have been worried about with the change to a new school?
2. Is there anything that has helped you to feel prepared to start your new school?
3. How can teachers and staff (in old school/ new school) help you to settle in/ adjust at your new school?

The insights gathered from these sessions will provide valuable understanding, which will go towards developing our approach to supporting transition.

In the meantime, if you have any questions about these sessions, please feel free to speak to me at the gates.

Your Sincerely,
